8. REVIVAL (KEY: D)

Verse 1

As sure as gold is precious and the honey
sweet

So You love this city and You love these
streets

Every child out playing by their own front door

Every baby lying on the bedroom floor

Every dreamer dreaming in her dead-end job

Every driver driving through the rush-hour
mob

Feel it in my Spirit feel it in my bones

Going to send revival

Bring them all back home

Chorus:

I can hear that thunder in the distance

It's like a train on the edge of the town

I can feel the brooding of your Spirit

Lay your burdens down

Lay your burdens down

Verse 2:

From the preacher preaching when the
well is dry

To the lost soul reaching for a higher high

From the young man working through his
hopes and fears

To the widow walking through the veil of
tears

Every man and woman, every old and young
Every father's daughter, every mother's son

I feel it in my spirit feel it in my bones

You're going to send revival

Bring them all back home

Chorus:

I can hear that thunder in the distance

It's like a train on the edge of the town

I can feel the brooding of your Spirit

Lay your burdens down

Lay your burdens down
